step right in...

and allow our outstanding crew to cater to your every desire. Liquidity combines distinctive styling and outstanding amenities to deliver true luxury and comfort while providing trans-oceanic capabilities.

Whether you prefer soaking up the sun or frolicking in the sea, we have the crew and amenities to fulfill all your fantasies. Liquidity offers her guests fun-filled days skiing or fishing from the custom 18' Egret flats boat, or exploring the many beautiful reefs on her two Yamaha personal watercraft. There's even a Brownie's Third Lung dive compressor for adventurous souls looking to have fun below the surface! You're sure to enjoy the assortment of watertoys awaiting you.

join the fun.

Liquidity was designed to provide the ultimate comfort for her guests. The spacious main salon is equipped with a custom audio/visual system and a full wet bar and features a disappearing aft bulkhead which joins the salon and aft deck, bringing tropical breezes and panoramic views inside.

Every meal aboard Liquidity is an enjoyable experience. Our professional chef will carefully prepare your choice of meals. Formal meals are served in the dining salon, but to make the most of your surroundings, al fresco dining is offered on the aft deck or flybridge.

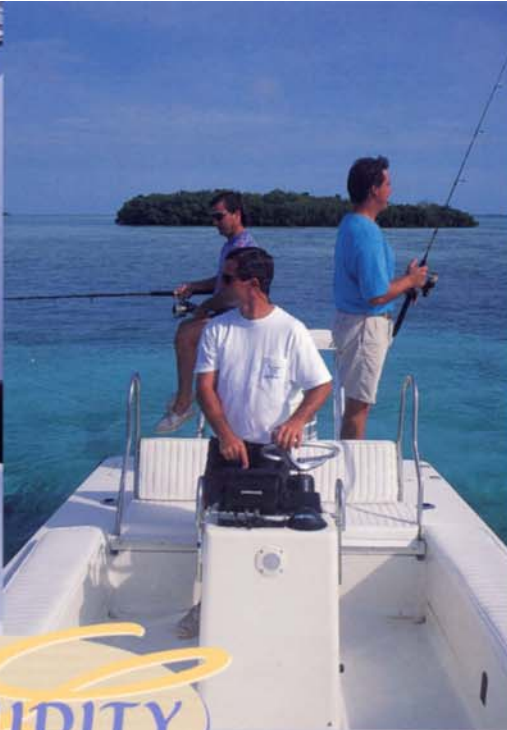

Luxurious accommodations for eight guests are offered in four double staterooms. The full beam master suite features a king size bed, complete entertainment center and ensuite his and hers marble baths, each with jacuzzi tub and shower.

Guests are pampered in the two aft guest staterooms, each complete with two twin berths, built in vanity, television with VCR and ensuite marble baths with jacuzzi tub and shower.

Our unique on deck VIP stateroom features a king size bed, ensuite marble bath with shower and views to remember!

LIQUIDITY

the time of your life.
