Star Salon & Galley

When day meets night, as the sun drops down below the horizon, the "blue hour" begins, when sea and sky luminates with a deep azure glow. Enjoy a sunset toast as another glorious day comes to a close.

Just aft of the galley is the salon with large fixed windows port and starboard. To starboard is a built-in couch and barrel chair, to port is a wet bar with Scotsman bin type icemaker and U-line wine cooler. (wet bar shown on previous page)

The dining area features a custom mounted wood base and granite table top that nestles comfortably into a curved leather banquette. The custom inlaid cherrywood and granite tile floors sparkle throughout the galley.

Marble countertops and floors adorn guest area heads.

The galley features all major KitchenAid appliances, including compactor, refrigerator, dishwasher and four burner stove with oven, a Sharp microwave, double stainless sink, garbage disposal and numerous countertop appliances.
